

Built for Environments where Comfort,
Efficiency, and Durability Matter

Surge

Nesting Chair

Premium Comfort

Flexible High Back with Padded Fabric

The RGS Surge Nesting Chair

was built for environments where comfort, efficiency, and durability matter. Whether you're outfitting a training center, classroom, conference room, or corporate floor, the Surge Nesting Chair elevates the entire experience for both your users and your space. Unlike ordinary nesting chairs, the Surge Nesting Chair features a luxuriously thick 3-inch padded seat that keeps attendees comfortable and focused during long sessions, paired with a breathable mesh back that promotes airflow and reduces fatigue.

Black

Grey

Effortless Mobility Zero Effort

Heavy-duty casters glide smoothly across carpet and hard floors, allowing you to reconfigure layouts quickly without lifting, dragging, or disrupting the room.

Space-Saving Nesting Design

Flip the seat upward and instantly nest dozens of chairs together, reducing storage needs and speeding up room turnover for training centers, classrooms, and conference spaces.

Spring-Back Responds to Movement

High-Density 3-inch Thick Seat Cushion

Built for daily commercial use and engineered to withstand high-traffic environments, the Surge Nesting Chair offers long-lasting performance with modern styling that fits seamlessly into any professional setting. Choose the Surge Nesting Chair when you want a chair that not only functions well — but looks and feels premium.”
